Coaches will be holding tryouts in East and West Prince to find the players interested in participating. We ask that players attend at least two of the tryouts listed above. If you cannot make it to a tryout please contact the respective coach listed below. More information can be found on the STING website, www.stingbasketball.ca.

The program's goal is to provide structured skill development for those players that are interested in developing their basketball abilities. The teams will be playing against other Island teams as well as competing in age group tournaments.
